

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF CALDWELL COUNTY WATER )	CASE NO.
DISTRICT FOR RATE ADJUSTMENT PURSUANT )	2016-00054
TO TO 807 KAR 5:0076 )	

ORDER

On March 16, 2016, the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention (“Attorney General”), filed a motion requesting full intervention in this case, which involves a request by Caldwell County Water District (“Caldwell County”) to adjust its rates for water service. Caldwell County tendered for filing its application on January 29, 2016, pursuant to the filing procedures set forth in 807 KAR 5:076. One of the requirements in that regulation is that the applicant must serve a copy of its application on the Attorney General.<sup>1</sup> Caldwell County’s application indicates that the required copy was served electronically on the Attorney General.<sup>2</sup>

Caldwell County’s application was accepted for filing on February 3, 2016, and the Commission entered an Order on February 18, 2016, establishing a procedural schedule for processing this case. That Order provided, among other things, that a motion to intervene “shall be filed no later than March 7, 2016,” and that any person

filing such a motion after that date and “upon a showing of good cause is granted full intervention” will be required to accept the established procedural schedule.<sup>3</sup>

Based on a review of the Attorney General's motion to intervene, and being otherwise sufficiently advised, the Commission finds that the motion was not filed by the March 7, 2016 due date established in our procedural Order, and the motion contains no explanation to support a Commission finding of good cause to grant a late filed intervention. For this reason, the Commission will hold the Attorney General's motion to intervene in abeyance for ten days to allow the Attorney General an opportunity to supplement his motion to show good cause.

IT IS THEREFORE ORDERED that the Attorney General's motion to intervene is held in abeyance for ten days from the date of this Order to afford the Attorney General an opportunity to file a supplemental motion setting forth good cause for filing his motion to intervene after the due date established by the Commission's February 18, 2016 Order.
